

## **MEMORIAL GARDEN**

The Vigness family has generously established a Memorial Garden in memory of Dan Vigness. The Memorial Garden is located on the front lawn of Hilltop United Methodist Church.

Members of Hilltop United Methodist Church may be remembered by having their name engraved on the Memorial Wall at their passing. The family of the deceased Member can arrange for the engraving of their loved one's name on the wall any time after the Member has passed. Parents may have a child's name engraved on the wall if the child was under 21 years of age at the time of death. A husband and wife can be named on the same brick if previously deceased, pass away at the same time or family members decide to add both parents to the wall after the last parent passes. Pre-payment or pre-engraving will not be permitted. The engraving will be limited to the deceased's first and last name, month and year of birth and month and year of death. All engraving will be in the same font and color.

Members of Hilltop United Methodist Church may wish to remember family who are not members of the church by having their names engraved on the walkway of the garden. Family is defined as spouse, children, grandchildren, parents, grandparents, siblings, nieces, nephews, aunts and uncles of the Hilltop United Methodist Church member. Pre-payment or pre-engraving will not be permitted. The engraving will be limited to the deceased's first and last name, month and year of birth and month and year of death. All engraving will be in the same font and color.

The cost to place a Member's name on the wall or walkway will be the same and this will cover the engraving. Current cost is \$60.00. Engraving will be done once a year in mid-summer.

The family of Dan Vigness will oversee and make decisions regarding the Memorial Garden if there are questions not defined above.
